WARMING UP...

1. After briefly reviewing this week's message, share one thing that most challenged you.
2. Discuss this quote: "This is our moment, this is our time, this is our chance to stand up for what is right. Three thousand Africans, mostly children, die every day of mosquito bites. We can fix that. Nine thousand people dying every day of a preventable, treatable disease like AIDS. We have got the drugs. We can help them."

LOOK TO THE BOOK...
