HOME CHURCH QUESTIONS...

1. After reviewing your notes for Ultimate Intimacy (parts 1 & 2), share one thing you've learned or one question it has raised.
2. Put our theme verse in context. Read **Galatians 2:11-21**.
 - a) How can you account for Peter's actions here (especially after reading **Acts 11:1-18**)? What lesson is in this for all of us?
 - b) What lesson do we learn about the proper approach to confrontation from this chapter? Why didn't Paul rebuke Peter in private?
 - c) In Paul's day the religious issue was circumcision. What are the religious issues we must face in our day?
3. Note how Paul uses the word "law" in this passage, as it is opposed to "faith". Also see **Romans 7:7-12; 1 Timothy 8-11; Hebrews 7:11-12**. How would you describe the fundamental difference between law and faith?
4. Pray for each other to be people of faith and grace, rather than law.
