### HOME CHURCH QUESTIONS

1. After reviewing Sunday’s message, share one thing that most inspired, encouraged, or perplexed you.
2. How does your awareness of being surrounded by and involved in a real spiritual battle effect how you live day to day? (See **2 Timothy 2:3-4**.)
3. a) What do we learn about the origin of evil in **Ezekiel 28:11-19** & **Isaiah 14:11-17**? Make a list. b) After listing things learned about evil’s origin, list what lessons you can learn from these passages for your own battle with evil within your self and in your life.
4. How does a “warfare worldview” help us understand what might look like a contradiction between Christ’s teaching on non-violence in **Matthew 5:38-42** and his claim to bring the “sword” in **Matthew 10:34**? In what ways was Jesus a “pacifist” and in what ways was he anything but?
5. Pray for POW’s in your group and in our church.
